FLAMINGO INVASION!

You can become part of something PINK! Castle of Dreams Junior Volunteer's are working on a "Flamingo Invasion" to raise money for Castle of Dreams Animal Rescue. So... if you have a friend, relative, or neighbor whose lawn needs a splash of "pink" (and has a great sense of humor) you can purchase a Flock of Flamingos that will land on their lawn.

Here's how it works: You purchase a flock of flamingos (***suggested minimum donation: $10***). Under the cover of darkness, the Castle of Dreams Junior Volunteers will visit the front lawn of your choice and deliver 20 pink flamingos, with your personal greeting.. ***Flockings available in: Holmdel, Hazlet, Keyport, Matawan, Aberdeen, Middletown (other areas may be taken into consideration).*** The birds will remain on their lawn for 24 hours then move to the next flocking. Those receiving the flock will have the opportunity to make a donation to Castle of Dreams Animal Rescue.

The Flamingo's will begin their migration in May. Flocks are limited so order ASAP! This is your chance to have fun, make someone laugh, deliver a special message and help the Junior Volunteers raise money for homeless, helpless, abandoned dogs. Have questions? Call: 732-765-8378

YOU'VE BEEN FLOCKED!
